

## How to find us

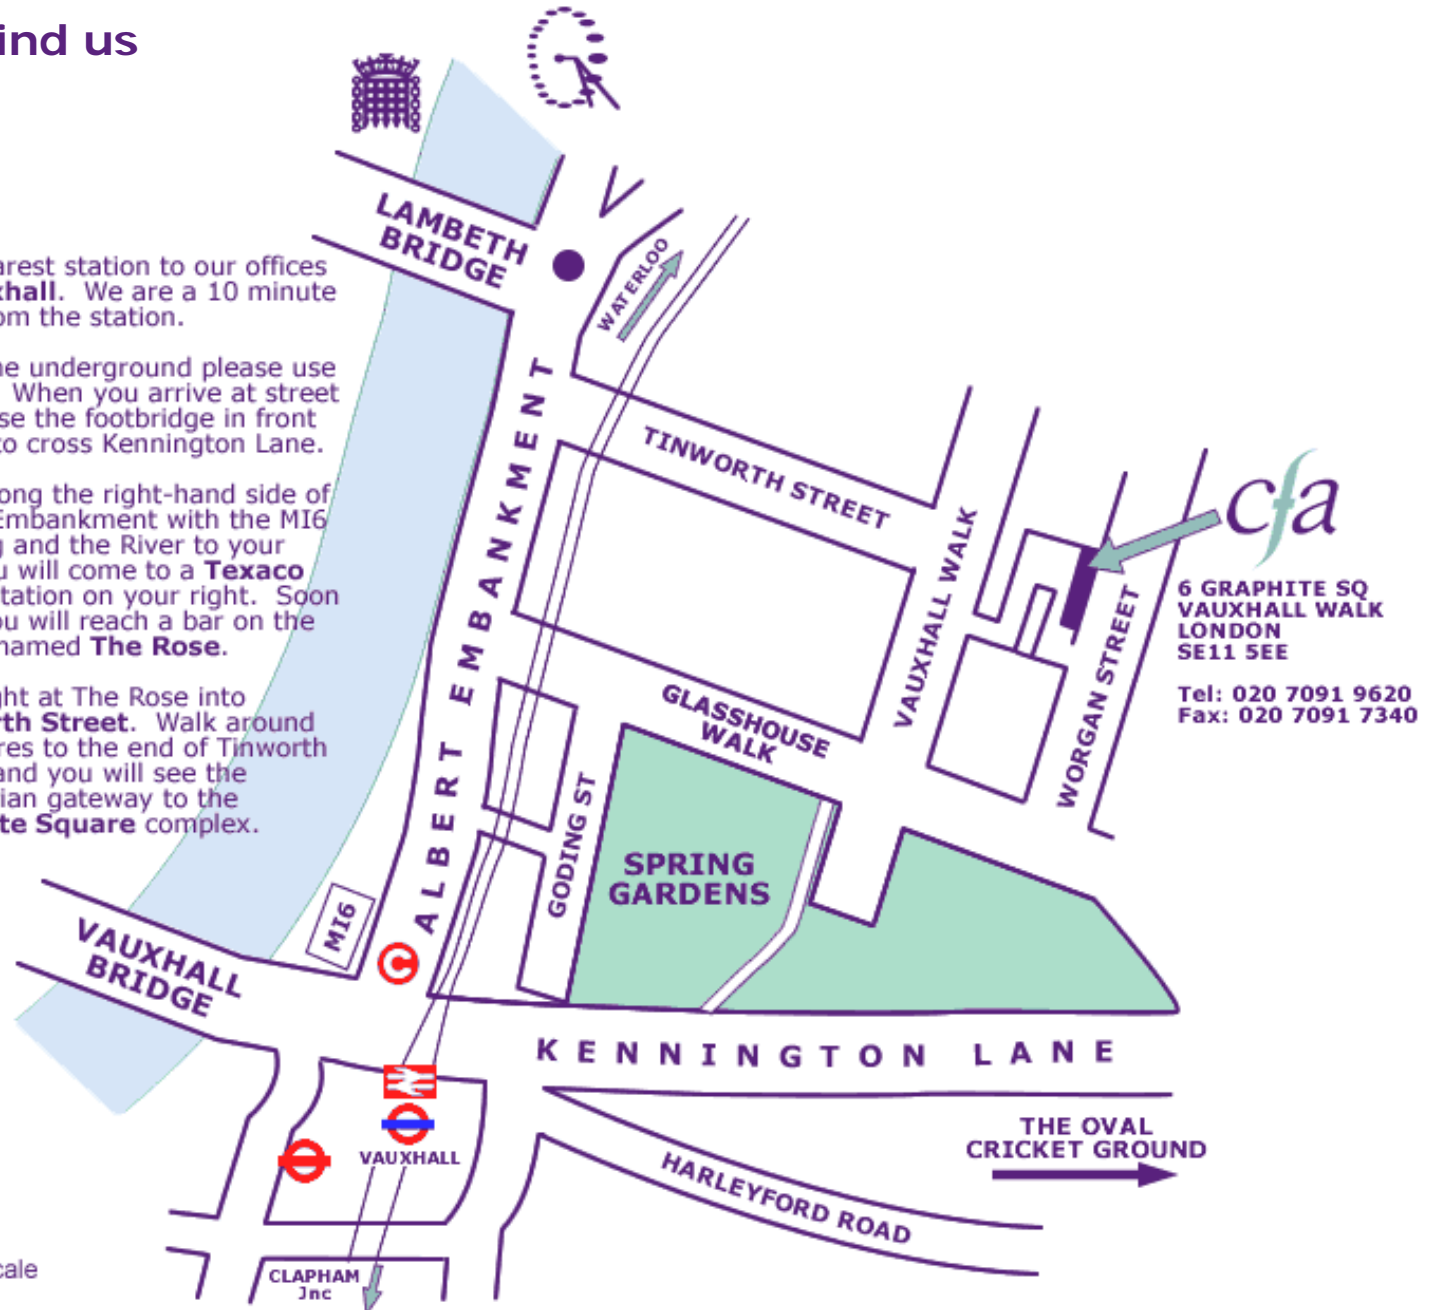

The nearest station to our offices is **Vauxhall**. We are a 10 minute walk from the station.

From the underground please use **Exit 3**. When you arrive at street level, use the footbridge in front of you to cross Kennington Lane.

Walk along the right-hand side of Albert Embankment with the M16 building and the River to your left. You will come to a **Texaco** petrol station on your right. Soon after you will reach a bar on the corner named **The Rose**.

Turn right at The Rose into **Tinworth Street**. Walk around 50 metres to the end of Tinworth Street and you will see the pedestrian gateway to the **Graphite Square** complex.
