## Choices after Young Apprenticeships

### Progression information for Partnerships

This booklet contains information on the support available to Young Apprenticeship Partnerships from the Sector Skills Councils involved in Cohorts 1 (2004–06) and 2 (2005–07) of the programme. Resources, events and contacts providing help with careers and progression issues are listed by sector:

Art and Design/Performing Arts	2
Business Administration	3
Engineering	4
Health and Social Care	5
Hospitality	6
The Motor Industry	7
Sports Management, Leadership and Coaching	8
Textiles	9

This information can be used in conjunction with the companion document: *Choices after Young Apprenticeships: Progression Information for Students*, which will be sent to Partnerships and is also available to download from the Young Apprenticeships section of the Apprenticeships Campaign Resources website at [www.apprenticeships.org.uk/partners/marketingpr/campaignresources](http://www.apprenticeships.org.uk/partners/marketingpr/campaignresources).

info@ccskills.org.uk

#### Support and resources

CCS supports the Young Apprenticeship programme in the creative industries in a number of ways. It works closely with Partnerships, in particular on qualification issues and to support the identification of suitable local employers for the programme. The support materials which it develops for Partnerships are available through its website, [www.ccskills.org.uk](http://www.ccskills.org.uk).

#### Events

CCS is planning a national event for all Partnerships in 2005/06, supported by at least two regional events.

020 7091 9620  
info@cfa.uk.com

#### Support and resources

The CfA works closely with Partnerships offering careers advice on progression routes and qualification options. There is also a quarterly newsletter for Partnerships starting September 2005 which will contain case studies on progression, and more detailed guidance is under development.

The CfA website, [www.cfa.uk.com](http://www.cfa.uk.com), features dedicated resources including an online discussion forum for Young Apprenticeships Partnerships and a progression map detailing routes that Young Apprentices may take following completion of their programme (Partnerships will need to apply for a password to access these resources).

#### Events

Partnerships hold four National Review meetings per year, two in the north of England and two in the south, with workshops on progression. There will also be a national event in Birmingham in 2006.
